### § 682.202 Permissible charges by lenders to borrowers.

The charges that lenders may impose on borrowers, either directly or indirectly, are limited to the following:

(a) *Interest.* The applicable interest rates for FFEL Program loans are given in paragraphs (a)(1) through (a)(4) of this section.

(1) *Stafford Loan Program.* (i) If the borrower, on the date the promissory note evidencing the loan is signed, has an outstanding balance of principal or interest on a previous Stafford loan, the interest rate is the applicable interest rate on that previous Stafford loan.

(ii) If the borrower, on the date the promissory note evidencing the loan is signed, has no outstanding balance on any FFEL Program loan, and the first disbursement is made—

(A) Prior to October 1, 1992, for a loan covering a period of instruction beginning on or after July 1, 1988, the interest rate is 8 percent until 48 months elapse after the repayment period begins, and 10 percent thereafter; or

(B) On or after October 1, 1992, the interest rate is a variable rate, applicable to each July 1–June 30 period, that equals the lesser of—

(*1*) The bond equivalent rate of the 91-day Treasury bills auctioned at the final auction prior to the June 1 immediately preceding the July 1–June 30 period, plus 3.10 percent; or

(*2*) 9 percent.

(iii) For a Stafford loan for which the first disbursement is made before October 1, 1992—

(A) If the borrower, on the date the promissory note evidencing the loan is signed, has no outstanding balance on a Stafford loan but has an outstanding balance of principal or interest on a PLUS or SLS loan made for a period of enrollment beginning before July 1, 1988, or on a Consolidation loan that repaid a loan made for a period of enrollment beginning before July 1, 1988, the interest rate is 8 percent; or

(B) If the borrower, on the date the promissory note evidencing the loan is signed, has an outstanding balance of principal or interest on a PLUS or SLS loan made for a period of enrollment beginning on or after July 1, 1988, or on a Consolidation loan that repaid a loan made for a period of enrollment beginning on or after July 1, 1988, the interest rate is 8 percent until 48 months elapse after the repayment period begins, and 10 percent thereafter.

(iv) For a Stafford loan for which the first disbursement is made on or after October 1, 1992, if the borrower, on the date the promissory note evidencing the loan is signed, has no outstanding balance on a Stafford loan but has an outstanding balance of principal or interest on a PLUS, SLS, or Consolidation loan, the interest rate is 8 percent.

(2) *PLUS Program.* (i) For a combined repayment schedule under § 682.209(d), the interest rate is the weighted average of the rates of all loans included under that schedule.

(ii) For a loan disbursed on or after July 1, 1987 but prior to October 1, 1992, and for any loan made under § 682.209 (e) or (f), the interest rate is a variable rate, applicable to each July 1–June 30 period, that equals the lesser of—

(A) The bond equivalent rate of the 52-week Treasury bills auctioned at the final auction prior to the June 1 immediately preceding the July 1–June 30 period, plus 3.25 percent; or

(B) 12 percent.

(iii) For a loan disbursed on or after October 1, 1992, the interest rate is a variable rate, applicable to each July 1–June 30 period, that equals the lesser of—

(A) The bond equivalent rate of the 52-week Treasury bills auctioned at the final auction prior to the June 1 immediately preceding the July 1–June 30 period, plus 3.10 percent; or

(B) 10 percent.

(3) *SLS Program.* (i) For a combined repayment schedule under § 682.209(d), the interest rate is the weighted average of the rates of all loans included under that schedule.

(ii) For a loan disbursed on or after July 1, 1987 but prior to October 1, 1992, and for any loan made under §682.209 (e) or (f), the interest rate is a variable rate, applicable to each July 1–June 30 period, that equals the lesser of—

(A) The bond equivalent rate of the 52-week Treasury bills auctioned at the final auction prior to the June 1 immediately preceding the July 1–June 30 period, plus 3.25 percent; or

(B) 12 percent.

(iii) For a loan disbursed on or after October 1, 1992, the interest rate is a variable rate, applicable to each July 1–June 30 period, that equals the lesser of—

(A) The bond equivalent rate of the 52-week Treasury bills auctioned at the final auction prior to the June 1 immediately preceding the July 1–June 30 period, plus 3.10 percent; or

(B) 11 percent.

(4) *Consolidation Program.* A Consolidation Program loan bears interest at the rate that is the greater of—

(i) The weighted average of interest rates on the loans consolidated, rounded to the nearest whole percent; or

(ii) 9 percent.

(5) *Actual interest rates under the Stafford loan, SLS, PLUS, and Consolidation Programs.* A lender may charge a borrower an actual rate of interest that is less than the applicable interest rate specified in paragraphs (a)(1)–(4) of this section.

(6) *Refund of excess interest paid on Stafford loans.*

(i) For a loan with an applicable interest rate of 10 percent made prior to July 23, 1992, and for a loan with an applicable interest rate of 10 percent made from July 23, 1992 through September 30, 1992, to a borrower with no outstanding FFEL Program loans—

(A) If during any calendar quarter, the sum of the average of the bond equivalent rates of the 91-day Treasury bills auctioned for that quarter, plus 3.25 percent, is less than 10 percent, the lender shall calculate an adjustment and credit the adjustment as specified under paragraph (a)(6)(i)(B) of this section if the borrower's account is not more than 30 days delinquent on December 31. The amount of the adjustment for a calendar quarter is equal to—

(*1*) 10 percent minus the sum of the average of the bond equivalent rates of the 91-day Treasury bills auctioned for the applicable quarter plus 3.25 percent;

(*2*) Multiplied by the average daily principal balance of the loan (not including unearned interest added to principal); and

(*3*) Divided by 4;

(B) No later than 30 calendar days after the end of the calendar year, the holder of the loan shall credit any amounts computed under paragraph (a)(6)(i)(A) of this section to—

(*1*) The Secretary, for amounts paid during any period in which the borrower is eligible for interest benefits;

(*2*) The borrower's account to reduce the outstanding principal balance as of the date the holder adjusts the borrower's account, provided that the borrower's account was not more than 30 days delinquent on that December 31; or

(*3*) The Secretary, for a borrower who on the last day of the calendar year is delinquent for more than 30 days.

(ii) For a fixed interest rate loan made on or after July 23, 1992 to a borrower with an outstanding FFEL Program loan—

(A) If during any calendar quarter, the sum of the average of the bond equivalent rates of the 91-day Treasury bills auctioned for that quarter, plus 3.10 percent, is less than the applicable interest rate, the lender shall calculate an adjustment and credit the adjustment to reduce the outstanding principal balance of the loan as specified under paragraph (a)(6)(ii)(C) of this section if the borrower's account is not more than 30 days delinquent on December 31. The amount of an adjustment for a calendar quarter is equal to—

(*1*) The applicable interest rate minus the sum of the average of the bond equivalent rates of the 91-day Treasury bills auctioned for the applicable quarter plus 3.10 percent;

(*2*) Multiplied by the average daily principal balance of the loan (not including unearned interest added to principal); and

(*3*) Divided by 4;

(B) For any quarter or portion thereof that the Secretary was obligated to pay interest subsidy on behalf of the borrower, the holder of the loan shall refund to the Secretary, no later than the end of the following quarter, any excess interest calculated in accordance with paragraph (a)(6)(ii)(A) of this section;

(C) For any other quarter, the holder of the loan shall, within 30 days of the end of the calendar year, reduce the borrower's outstanding principal by the amount of excess interest calculated under paragraph (a)(6)(ii)(A) of this section, provided that the borrower's account was not more than 30 days delinquent as of December 31;

(D) For a borrower who on the last day of the calendar year is delinquent for more than 30 days, any excess interest calculated shall be refunded to the Secretary; and

(E) Notwithstanding paragraphs (a)(6)(ii)(B), (C) and (D) of this section, if the loan was disbursed during a quarter, the amount of any adjustment refunded to the Secretary or credited to the borrower for that quarter shall be prorated accordingly.

(7) *Conversion to Variable Rate.*

(i) A lender or holder shall convert the interest rate on a loan under paragraphs (a)(6)(i) or (ii) of this section to a variable rate.

(ii) The applicable interest rate for each 12-month period beginning on July 1 and ending on June 30 preceding each 12-month period is equal to the sum of—

(A) The bond equivalent rate of the 91-day Treasury bills auctioned at the final auction prior to June 1; and

(B) 3.25 percent in the case of a loan described in paragraph (a)(6)(i) of this section or 3.10 percent in the case of a loan described in paragraph (a)(6)(ii) of this section.

(iii)(A) In connection with the conversion specified in paragraph (a)(6)(ii) of this section for any period prior to the conversion for which a rebate has not been provided under paragraph (a)(6) of this section, a lender or holder shall convert the interest rate to a variable rate.

(B) The interest rate for each period shall be reset quarterly and the applicable interest rate for the quarter or portion shall equal the sum of—

(*1*) The average of the bond equivalent rates of 91-day Treasury bills auctioned for the preceding 3-month period; and

(*2*) 3.25 percent in the case of loans as specified under paragraph (a)(6)(i) of this section or 3.10 percent in the case of loans as specified under paragraph (a)(6)(ii) of this section.

(iv)(A) The holder of a loan being converted under paragraph (a)(7)(iii)(A) of this section shall complete such conversion on or before January 1, 1995.

(B) The holder shall, not later than 30 days prior to the conversion, provide the borrower with—

(*1*) A notice informing the borrower that the loan is being converted to a variable interest rate;

(*2*) A description of the rate to the borrower;

(*3*) The current interest rate; and

(*4*) An explanation that the variable rate will provide a substantially equivalent benefit as the adjustment otherwise provided under paragraph (a)(6) of this section.

(v) The notice may be provided as part of the disclosure requirement as specified under § 682.205.

(vi) The interest rate as calculated under this paragraph may not exceed the maximum interest rate applicable to the loan prior to the conversion.

(b) *Capitalization.* (1) A lender may add accrued interest and unpaid insurance premiums to the borrower's unpaid principal balance in accordance with paragraph (b)(2) of this section. This increase in the principal balance of a loan is called ''capitalization.''

(2) A lender may capitalize interest payable by the borrower that has accrued—

(i) During the period from the date the first disbursement was made to the beginning date of the in-school period;

(ii) During the in-school period or grace period, if capitalization is expressly authorized by the promissory note (or with the written consent of the borrower);

(iii) During a period of authorized deferment;

(iv) During a period of authorized forbearance; or

(v) During the period from the date the first installment payment was due until it was made.

(3) A lender may capitalize accrued interest under paragraphs (b)(2)(ii) through (iv) of this section no more frequently than quarterly, except that capitalization is again permitted when repayment is required to begin or resume. A lender may capitalize accrued interest under paragraph (b)(2) (i) and (v) of this section only on the date repayment of principal is scheduled to begin.

(4) Under the SLS and PLUS programs, the lender shall require the borrower to pay on a monthly or quarterly basis or, with the borrower's written consent, capitalize on a quarterly basis interest that has accrued during periods in which the borrower—

(i) Is pursuing a full-time course of study at an eligible institution;

(ii) Is pursuing at least a half-time course of study (as determined by the institution) during an enrollment period for which the student has obtained a FFEL loan;

(iii) Is pursuing a course of study pursuant to a graduate fellowship program approved by the Secretary; or

(iv) Is pursuing a rehabilitation training program for disabled individuals that is approved by the Secretary.

(5) For all borrowers who are in a period of deferment, a required medical or dental internship forbearance, or the in-school or grace period on a non-subsidized Stafford loan and have agreed to monthly or quarterly payments of interest, the lender may capitalize past due interest after notification to the borrower that the borrower's failure to resolve any delinquency constitutes the borrower's consent to capitalization of delinquent interest and all interest that will accrue through the remainder of that period.

(c) *Fees for FFEL Program loans.* A lender—

(1) May charge a borrower an origination fee on a subsidized Stafford loan not to exceed the maximum rate specified by Federal statute;

(2) Shall charge a borrower an origination fee on an unsubsidized Stafford loan of 3 percent of the principal amount of the loan;

(3) Shall charge a borrower an origination fee on an SLS or a PLUS loan of 3 percent of the principal amount of the loan;

(4) Shall deduct a pro rata portion of the fee (if charged) from each disbursement; and

(5) Shall refund by a credit against the borrower's loan balance the portion of the origination fee previously deducted from the loan that is attributable to any portion of the loan—

(i) That is returned by a school to a lender in order to comply with the Act or with applicable regulations;

(ii) That is repaid or returned within 120 days of disbursement, unless—

(A) The borrower has no FFEL Program loans in repayment status and has requested, in writing, that the repaid or returned funds be used for a different purpose; or

(B) The borrower has a FFEL Program loan in repayment status, in which case the payment is applied in accordance with § 682.209(b) unless the borrower has requested, in writing, that the repaid or returned funds be applied as a cancellation of all or part of the loan;

(iii) For which a loan check has not been negotiated within 120 days of disbursement; or

(iv) For which loan proceeds disbursed by electronic funds transfer or master check in accordance with § 682.207(b)(1)(ii) (B) and (C) have not been released from the restricted account maintained by the school within 120 days of disbursement.

(d) *Insurance Premium.* A lender may charge the borrower the amount of the insurance premium paid by the lender to the guarantor up to 1 percent of the principal amount of the loan, if that charge is provided for in the promissory note.

(e) *Administrative charge for a refinanced PLUS or SLS Loan.* A lender may charge a borrower up to $100 to cover the administrative costs of making a loan to a borrower under § 682.209(e) for the purpose of refinancing a PLUS or SLS loan to secure a variable interest rate.

(f) *Late charge.* (1) If authorized by the borrower's promissory note, the lender may require the borrower to pay a late charge under the circumstances described in paragraph (f)(2) of this section. This charge may not exceed six cents for each dollar of each late installment.

(2) The lender may require the borrower to pay a late charge if the borrower fails to pay all or a portion of a required installment payment within 15 days after it is due.

(g) *Collection charges.* (1) If provided for in the borrower's promissory note, and notwithstanding any provisions of State law, the lender may require that the borrower or any endorser pay costs incurred by the lender or its agents in collecting installments not paid when due, including, but not limited to—

(i) Attorney's fees;

(ii) Court costs; and

(iii) Telegrams.

(2) The costs referred to in paragraph (g)(1) of this section may not include routine collection costs associated with preparing letters or notices or with making personal contacts with the borrower (e.g., local and long-distance telephone calls).

(h) *Special allowance.* Pursuant to §682.412(c), a lender may charge a borrower the amount of special allowance paid by the Secretary on behalf of the borrower.

(Authority: 20 U.S.C. 1077, 1078, 1078–1, 1078–2, 1078–3, 1079, 1082, 1087–1, 1091a)

[57 FR 60323, Dec. 18, 1992, as amended at 59 FR 22475, Apr. 29, 1994; 59 FR 61427, Nov. 30, 1994; 61 FR 60486, Nov. 27, 1996; 62 FR 63434, Nov. 28, 1997; 64 FR 18976, Apr. 16, 1999]

### § 682.203 Responsible parties.

(a) *Delegation of functions.* A school, lender, or guaranty agency may contract or otherwise delegate the performance of its functions under the Act and this part to a servicing agency or other party. This contracting or other delegation of functions does not relieve the school, lender, or guaranty agency of its duty to comply with the requirements of the Act and this part.

(b) *Trustee responsibility.* A lender that holds a loan in its capacity as a trustee assumes responsibility for complying with all statutory and regulatory requirements imposed on any other holders of a loan.

(Authority: 20 U.S.C. 1082)

### § 682.204 Maximum loan amounts.

(a) *Stafford Loan Program annual limits.* (1) In the case of an undergraduate student who has not successfully completed the first year of a program of undergraduate education, the total amount the student may borrow for any academic year of study under the Stafford Loan Program and the Direct Stafford Loan Program may not exceed—

(i) $2,625 for a program whose length is at least a full academic year in length;

(ii) $1,750 for a program whose length is at least two-thirds but less than a full academic year in length; and

(iii) $875 for a program whose length is at least one-third but less than two-thirds of an academic year length.

(2) In the case of a student who has successfully completed the first year of an undergraduate program but has not successfully completed the second year of an undergraduate program, the total amount the student may borrow for any academic year of study under the Stafford Loan and Direct Stafford Loan Program may not exceed—

(i) $3,500 for a program whose length is at least a full academic year in length; or

(ii) For a Stafford loan first disbursed on or after July 1, 1994 for a period of enrollment beginning on or after July 1, 1994, if the student is enrolled in a program, with less than a full academic year remaining, a prorated amount that bears the same ratio to $3,500 as the remainder of the program measured in semester, trimester, quarter, or clock hours bears to one academic year.

(3) In the case of a student who has successfully completed the first and second year of a program of undergraduate education but has not successfully completed the remainder of the program, the total amount the student may borrow for an academic year of study under the Stafford Loan and Direct Stafford Loan Program may not exceed—

(i) $5,500 for a program whose length is at least an academic year in length;

(ii) For a Stafford loan first disbursed on or after July 1, 1994 for a period of enrollment beginning on or after July 1, 1994, if the student is enrolled in a program with less than a full academic year remaining, a prorated amount that bears the same ratio to $5,500 as
